

## Restoration Day Global Initiative

### **Dear Fellow Faithful:**

The time has come for us to fund grassroots charismatic initiatives that will become catalysts as we pursue our goal of a more authentic expression of full communion in the Body of Christ by Pentecost 2033. We all long for this to happen, and since 2008 thousands have been participating in a series of strategies developed by leaders of many organizations and Christian traditions, who all know that this is essential if we want the world to believe that Jesus is its Savior. Jesus was not known for long prayers! But Christian unity is imperative if His plan of salvation for everyone is going to be fulfilled. John chapter 17 is one long prayer of a dying man who wants us to be fully united in Him, fully united with each other, and then be an example to the world that faith in Jesus is demonstrated by the unity among Christians.

Raniero Cardinal Cantalamessa has given the *Awakening the Domestic Church* project, United in Christ International and CMAX Media Corporation permission to release the documentary, ***Preacher to the Popes: Raniero Cantalamessa***, as a fundraising tool for Christian organizations. Evangelization 2033 Europe, Awakening the Domestic Church, United in Christ International, Global 2033, the Charismatic Leaders Fellowship, many Catholic Liaisons, covenant community leaders and others are partnering together to use the film as a catalyst to change the focus of the date of October 31<sup>st</sup> from *Reformation Day* to ***Restoration Day***. Catholic Sister Nancy Keller had this inspiration, but we are inviting you to join our partnership and fund your local renewal initiative.

### **Here is what we hope you will do:**

1. Enter into a two-year licensing agreement with ADC for \$100. We will send you the 56-minute ministry version of the film. Watch the film with local Christian leaders and develop an evangelization plan to use the film. Allow for ministry time after the film. CMAX Media will send you professional flyers, television commercials, and other social media advertising tools that you can use to promote the strategy. We recommend charging \$10 for tickets or asking for donations; as we are still paying for the costs of making the film. As part of an honor system, we ask that you donate \$5 per person who attends to ADC.
2. Find and secure a Knights of Columbus Hall, local movie theater, Catholic or public high school auditorium, a local gymnasium, etc... for October 31, 2023 or near that date, depending on your local circumstances. Be creative. We want you to fund your renewal effort. Train prayer teams to minister after the film. Some people may hold grudges against Christians of other traditions. Others may want to experience a new outpouring of the Holy Spirit or recommit themselves to missionary discipleship. Some may want to experience baptism in the Holy Spirit for the first time. Invite them to receive prayer.
3. Show the film often over the next two years. Encourage everyone who watches the film to purchase it and evangelize their friends and neighbors out of their homes. They can watch as a CMAX subscriber by signing up at [adc.cmax.tv](http://adc.cmax.tv) or by purchasing the digital version of the full-length documentary, the ministry version of the film or both. The purchase of the film comes with a home showing license for 10 people or fewer.

4. Bulk sales will be available for Christmas Gifts and Giving Tuesday fundraising incentives. Contact us for more information and please pass this on to your local book stores, parish evangelization teams, or other organizations.

Millions of people are praying for a genuine expression of more complete unity, even a restoration of full communion. Many have prophesied that the Holy Spirit is using the life of Cardinal Cantalamessa, and specifically this documentary about his ministry, to end the animosity that Christians have toward one another and fill them with joy. We believe these two attitudes are necessary as a foundation for the restoration of complete unity of the one, holy, catholic, and apostolic Church filled with men and women who are priests, prophets, and kings in Christ as well as ministers of reconciliation and ambassadors for Christ in the world. I encourage you to “**Think Global, Act Local**” by joining our efforts to fulfill the Holy Spirit's mission regarding charismatic renewal and the current of grace with which we are all flowing. ***You can do this!!*** Please forward this website link to everyone who has a desire to expand a Spirit-led influence in your culture. Share the link on all your social media outlets.

The film is only available in English at present and with optional subtitles in other languages. If enough presales occur to pay off the film's debt of \$300,000 we will begin dubbed translation into Spanish, Portuguese, Italian, Polish, French, and British (ha, ha)!

You can start now by clicking [HERE](#). Thank you for being a part of Restoration Day!
